

A home designed to enjoy with the family: large garden, bright spaces and quality finishes

A cozy single-family house is offered for sale located in a privileged location on Fragata street, in Sant Antoni de Calonge. Just 1 minute walk from the beach, this property combines the tranquility of a residential environment with the convenience of being close to all services.

The house has a large garden ideal for enjoying relaxing moments with the family. Its interior distribution is functional and bright, adapting to the needs of modern life.

This property, the result of a careful study of the topography of the land and the needs of the user, offers a functional and optimal distribution. The open and bright spaces, facing southeast, stand out, allowing you to enjoy natural light throughout the day.

Featured Features:

Price: **1.600.000 €**

Bioclimatic architecture: The orientation of the property, together with thermal insulation and efficient air conditioning systems, guarantee optimal comfort and a reduction in the ecological footprint.

Construction quality: The materials used such as reinforced concrete, double-glazed aluminum carpentry and top quality finishes ensure the durability and long-term value of the property.

Private garden and pool: An oasis of tranquility just a few steps from the house. The pool, with an efficient filtration system, is ideal for cooling off in the hottest months.

Technological equipment: The property has a complete electrical installation, with a power of 9,200 W, as well as an air conditioning system through ducts and fan-coils that guarantee optimal comfort at any time of the year.

Renewable energies: The production of domestic hot water through solar panels and aerothermal energy, along with other energy efficiency measures, contribute to reducing energy expenditure and the carbon footprint.

Distribution:

Basement: Garage, warehouse, games room, facilities and access staircase to the upper floors.

Ground floor: Large living-dining room with access to the garden, equipped kitchen, two double bedrooms and two full bathrooms.

First floor: Two double bedrooms and two full bathrooms.

Finishes:

Interior: Tiled in bathrooms and kitchen, plastered and painted in the rest.

Stoneware and non-slip stoneware flooring. Interior wood carpentry.

Exterior: Lacquered aluminum carpentry, double glazing, blinds, thermal insulation on the outside (SATE).

This property is a unique opportunity to acquire a sustainable, modern and comfortable home in a privileged environment.
